UPDATE REPORT GUIDELINES

The title of the grant and "LGMD2i Research Fund" should be added to the header.
Page number and date should be included in footer.

I. SUMMARY

The summary should not exceed 2 pages and should be stated in nontechnical terms.
Description of

1) *Current activities.*

2) *Achievements.*

3) *Challenges encountered with their possible solutions.*

4) *Actual outcomes, which should be compared to the outcomes originally planned.*

5) *Changes in the methods and experimental design compared to the original proposal.*

II. ACTUAL VERSUS PLANNED TIMELINES AND PERSONNEL

The actual use of time and personnel should be compared to the planned timetable as presented in the original application and should not exceed 1/2 page.

III. RESULTS

The results gained since the start of the grant or the last update should be technically explained, and photos, graphs, and tables added to support results' explanation. This should not be longer than 2 pages.

IV. PUBLICATIONS IF ANY

Manuscripts in preparation, submitted for publication, accepted for publication, in press, or published should be listed in this section.

V. NEW INTELLECTUAL PROPERTY IF ANY

This section will list new applications to gain intellectual property rights that have been filed since the start of the grant or the last update.

VI. APPENDIX

This section is not limited in length. This is the place where the grantee presents as much data as desired. Technical writing is required, with graphs, figures, and scientific analyses. Presentation of the data and discussion of the results will be in a slide presentation format, which will be the material used in the required update phone call.
